

CERTIFICATION PROCESS

Our structured and transparent process ensures credibility, impartiality and confidence in certification.

STEP
01

APPLICATION

The client submits an application for certification.

STEP
02

APPLICATION REVIEW

HYM reviews the application to determine competence, scope and certification requirements.

STEP
03

QUOTATION AND AGREEMENT

Certification proposal and certification agreement are issued.

STEP
04

STAGE-1 AUDIT

Review of management system documentation and readiness for Stage-2 Audit.

STEP
05

STAGE-2 AUDIT

Evaluation of implementation and effectiveness of the management system.

STEP
06

TECHNICAL REVIEW

Independent review of audit records and certification recommendation.

STEP
07

CERTIFICATION DECISION

Certification decision is taken by authorized personnel independent of the audit team.

STEP
08

CERTIFICATE ISSUE

Certificate issued for a three-year certification cycle.

STEP
09

SURVEILLANCE AUDITS

Periodic surveillance audits conducted to verify continued conformity.

STEP
10

RECERTIFICATION

Recertification audit conducted before certificate expiry.

Committed to competence, impartiality and integrity
to deliver credible certification and add value to your organization.
